Information Sheet

Eaglecrest Resident Engagement – 2026 Neighbourhood Revisioning

Overview

The Town is in the early stages of drafting a **Preliminary Eaglecrest Neighbourhood Plan** and parcel specific planning for the **parcel to the west of Country Club Drive**.

The Preliminary Plan will provide context for the overall neighbourhood elements such as:

- Form and character
- Traffic and circulation patterns
- Parks
- Outdoor recreation

The parcel-specific planning for the **closed portion of the golf course lot to the west of Country Club Drive** will help inform development conditions to be required as a condition of the disposal of the land, intended for disposition in 2026.

The Town wishes to engage Eaglecrest residents in both planning processes prior to general public engagement.

TOWN OF **QUALICUM BEACH**

Neighbourhood Resident-Specific Engagement Opportunities

Engagement opportunities beyond those available to the general public are available to residents of the Eaglecrest Neighbourhood, as shown in the Eaglecrest Neighbourhood Plan Area map. These events are listed on the reverse of this Information Sheet.

Eaglecrest Neighbourhood Plan Area Map

Details about these events are listed on the reverse of this sheet, and at **www. qualicumbeach.com/eaglecrest-neighbourhood-plan**

Engagement Opportunities for Eaglecrest Neighbourhood Residents

(1) Eaglecrest Neighbourhood Resident Survey

Available from Friday, February 13, 2026 to Sunday, March 8, 2026.

This survey will present the same questions for discussion as presented in the Eaglecrest Resident Neighbourhood Workshops. Those attending the Workshops are still encouraged to fill out the online survey. **The survey is available at: www.qualicumbeach.com/eaglecrest-neighbourhood-plan**

(2) Eaglecrest Neighbourhood Resident Workshops

******Sign-up Required*

Thursday, February 26, 2026

Civic Centre – Lion's Room

These workshops will focus on the future planning for the neighbourhood. Each session will include a series of round-table discussions, either to discuss parcel-specific planning for the Town-owned lot to the west of Country Club Drive, or for future overall planning for the neighbourhood.

- These sessions are sign-up only, with 40-person capacity for each session. **If you would like to attend, please indicate which session(s) you prefer, and in which priority order in the online form below**.
- Please note that attendees will be limited to one session per person.
- Please submit the form no later than **Wednesday, February 18, 2026. The signup sheet is available at: www.qualicumbeach.com/eaglecrest-neighbourhood-plan**

If the session cannot accommodate all expressions of interest, names will be drawn from a hat to determine who may attend. Participants will be contacted with their confirmed session one week prior to the event via the email provided in the online form.

(3) Eaglecrest Resident Large Group Meetings

Tuesday, March 10 at the Community Hall

Session 1: 2:00pm (for residents with odd numbered addresses)
Session 2: 4:00pm (for residents with even numbered addresses)

This summary meeting will include presentations about the project and a general summary of what we have heard from residents so far, followed by a question-and-answer period.

- We have divided the neighbourhood into two groups to ensure that there is enough capacity in the venue. **Please attend the session corresponding to your address in Eaglecrest**, as shown above
- If the above session suggestion does not work for you, **please email planning@qualicumbeach.com to confirm** if attendance at the other session is possible.

Sign-up is not required for this event, unless you are not able to attend your assigned session. **If you know your questions ahead of time, we recommend submitting your questions in writing to planning@qualicumbeach.com**. This will allow staff to organize questions in a logical order to provide the most fulsome response possible in the meeting.
