2026 Eaglecrest Neighbourhood Revisioning Public Meeting

April 2, 2026 – 3:00pm at the Civic Centre (747 Jones Street)

Overview

The Town is drafting a **Preliminary Eaglecrest Neighbourhood Plan** and parcel specific planning for the **parcel to the west of Country Club Drive**.

The Preliminary Plan will provide context for the overall neighbourhood elements such as:

- Form and character
- Traffic and circulation patterns
- Parks
- Outdoor recreation

The parcel-specific planning for the **former golf course land west of Country Club Drive** will help inform development conditions to be required as a condition of the disposal of the land, intended for disposition in 2026.

The Town wishes to engage the community to ensure that we have accurately understood the neighbourhood context and Town resident priorities.

The Town is not revisiting or reconsidering land use designations that were adopted in 2025.

TOWN OF QUALICUM BEACH

Agenda

1. **Summary Presentation:** 3:00 pm
2. **Public Input:** 3:30 pm
3. **Question & Answers:** 4:15 pm

Some things to note about this meeting:

- Everyone is welcome! We look forward to sharing what we have learned so far with you, and what the next steps in the process look like
- This meeting will be led by Town staff and does not represent a Council meeting
- A summary of all public engagement will be shared with Council to support future decision-making
- Feedback will be limited to the Preliminary Eaglecrest Neighbourhood Planning process, and to parcel-specific planning for the lot to the west of Country Club Drive.

For questions about the rezoning of the Eaglecrest Golf Course lands adopted by Council in October 2025, please reach out to planning at planning@qualicumbeach.com
