

**TOWN OF QUALICUM BEACH
BYLAW NO. 723**

A BYLAW TO REGULATE THE SALE OF SINGLE-USE PLASTIC ITEMS

WHEREAS, the Council of the Town of Qualicum Beach desires and deems it appropriate to regulate the provision of single-use plastic items to minimize the volume of plastic waste entering our landfill, waste collection systems, and littering our community;

NOW THEREFORE, the Council of the Town of Qualicum Beach, in open meeting assembled, enacts as follows:

CITATION

1. This bylaw may be cited as "Town of Qualicum Beach Single-Use Item Regulation Bylaw No. 723, 2018".

DEFINITIONS

2. In this bylaw, unless the context otherwise requires,

"Food Service Business" means a business that sells or provides food for consumption on or off of the business premises, including restaurants, fast food restaurants, cafes, delicatessens, coffee shops, vending trucks or carts, or cafeterias.

"Retail Business" means a business whose main activity is the sale or provision of any types of goods directly to customers.

"Compostable Bag" means any bag that:

- a. degrades by biological processes;
- b. leaves no visible, distinguishable or toxic residue; and
- c. displays one or more compostable mark(s) of conformity, as listed in Appendix A, attached to and forming part of this bylaw.

"Plastic Bag" means any bag made with any amount of plastic, including biodegradable plastic, but does not include a Reusable Bag.

"Paper Bag" means a bag made primarily of pulp or paper, but does not include a Plastic Bag.

"Reusable Bag" means a bag with handles that is designed and manufactured to have a minimum lifetime of 100 uses and is at least 2.25 mils (0.571 millimetres) thick, if made of plastic.

"Straw" means a tube used to transfer a beverage from a container to the mouth of the individual drinking the beverage by suction.

"Plastic Straw" means a straw made primarily of plastic, including biodegradable plastic, but is not a Reusable Straw or a Compostable Straw.

“**Reusable Straw**” means a straw made of durable materials, including metal, glass, silicone or bamboo, but is not made primarily of plastic other than silicone plastic.

“**Compostable Straw**” means a straw that:

- a. degrades by biological processes;
- b. leaves no visible, distinguishable or toxic residue; and
- c. Displays one or more compostable mark(s) of conformity, as listed in Appendix A, attached to and forming part of this bylaw.

REGULATIONS

3. Except as provided in this bylaw, no Retail Business or Food Service Business shall provide or sell a Plastic Bag to a customer.
4. Except as provided in this bylaw, no Food Service Business shall provide or sell a Plastic Straw to a customer.
