**MOTIONS FROM COUNCIL – Nil**

**BUSINESS ARISING FROM THE MINUTES**

- a) Councillor Young to investigate having a petting farm for the event.
  - Cost is about \$500 and the attraction could be located next to the Civic Centre.
  - B. Gagne to make contact with the vendor for more information on the event.
  - B. Ritter to investigate with staff if the location is suitable.
- b) B. Ritter to check insurance for petting zoo.
  - Staff advised that the vendor is to have their own insurance, naming the Town as an additional insurer for \$3M.
  - B. Gagne to contact the vendor regarding insurance requirements.
- c) B. Ritter to check if food truck vendors will be paying an admission fee.
- d) B. Ritter to check if food truck vendors can pay electronically.
- e) B. Gagne to report on a new initiative that may require increased funding
  - The event is RC Racing cars, who provide model power cars which run races every 10 minutes. They must be on level ground, and if held indoors there is a concern about scuffing floors. The Committee discussed concerns around increasing the scope of the event beyond current volunteer capacity. B. Gagne will follow up to see if this is viable.
- f) B. Ritter to follow up if surplus funding can be used to buy more tents.
  - Staff advised that unused funds go back into the general fund. The Committee discussed that removing the option for tents on the registration should bring down the

need for more tents (approximately 16 tents currently). Once the registration process is underway we can determine if more tents are needed.
